## TEN THINGS YOU SHOULD KNOW ABOUT THENEW

- Everyone who owns a parrot has to pay Poll Tax.
- If it talks, you pay double the basic rate.
- If it says rude words, you pay treble the basic rate. If it says rude words about the Labour Party you get a
- full rebate and 1 cwt. of millet. 5 People who are members of the Conservative Party
- don't pay poll tax, no matter how many parrots they have. 6 People who are members of any other party do pay
- poll tax, even if they don't have a parrot. 7 People who are unemployed will get their benefits
- stopped unless they buy a parrot. 8 Old Age Pensioners must breed parrots, as they've
- got nothing better to do. 9 Anyone earning less than £40,000 a year must call
- their parrot "Polly".
- 10 People earning more than £40,000 a year can call their parrot Giles, Penelope, or St.John-Baringham-Smythe.

A government spokesman explained that the new tax is necessary, as the old domestic rating system which it will replace is both illogical and unfair. When we suggested that the tax seemed to favour the well-off, he replied that nothing could be further from the truth and told us not to give the game away.

### HOME HEALTH CHECK-UP A D.I.Y., EASY-TO-FOLLOW SYSTEM FOR TESTING YOUR HEALTH

First let's test your respiratory system, mouth and throat

\* Stick out your tongue and say "Ah" \* If you really are doing this, seek psychiatric help. Well, that was easy, wasn't it? Now we know you're not crazy, we can carry on.

Okay, this time we're really going to test your respiratory system

\* Breathe in for 5 seconds.

 ★ Breathe out

Did you experience any of the following: Nausea light-headedness, palpitations, spots before the eyes. convulsions, vomiting, feverishness, coughs antidisestablishmentarianism?

If the answer to any of these is "YES", then you are ILL, If you answered "NO", then you may well not be ill.

Now to test your suppleness.

- \* Lie on your back with your arms stretched upwards.
- \* Kick left leg up, then bring it down Wingle right leg a bit. Lower arms.
- \* Wave arms and legs left-to-right 4 times. Circle head (not right round).
- \* Do the Hokey-Cokey and turn around, that's what it's all about Are any of your limbs now fractured or broken? If "YES",

then you are NOT VERY SUPPLE.

Try exercising [once you get out of hospital].

\* Read this chart.

If you cannot, you need glasses. Just send £550 to me at: The Hospital, Frogantoad Road, Conbury. I'll send you a pair of glasses by return [if glasses are out

of stock. I will send you a pair of tea-cups).

Now to test your gullibility.

\* Stick your fingers down your throat If you have done this and have been sick, DO NOT

WORRY. You are NOT ILL. Just very, very STUPID.

That just about covers the body, so let's move into the world of SUPERNATURAL POWERS, I'm going to find out if you're CLAIRVOYANT. At the bottom of this page is a message, WITHOUT

LOOKING AT IT, guess what it is and write it here: Did you guess it correctly? If "YES", who is going to win

the 2.30 tomorrow at Sandown? \* Send answers to me at the address I gave earlier, to

arrive before the Betting Shop closes.

Time for the final test

- \* Are you not breathing at the moment?
- \* Are you very cold?
- \* 'Are you lying in a coffin 6 feet underground?
- if "YES" to two or more of the above, then you are probably DEAD. Therefore, your health is NOT AS GOOD AS IT COULD BE.

Uncle Pigg here, with a message for Jonathan.

\* Have you any of the following:

Bleeding nose, black eye, bruised limbs, the sack? \* Did you answer "NO"? \* THEN STOP FILLING MY COMIC WITH STUPID

QUIZZES AND TESTS, AND I'LL KEEP IT THAT WAY!

MESSAGE: Don't look at this before you've written the
